Dear Mr. Kevin:

The tape you addressed here arrived yesterday. The one you sent to St. Louiis was awaiting Harold on his arrival there. He asked me to tell you how much he appreciates it, and to say that you did get some very good things from Mr. Frank.

This is just an interim note to thank you for sending the tapes as Harold will undoubtedly write you fully after he gets home - although just when that will be I don't know.

Sincerely,

Lillian Weisberg
